What we are doing to develop SEND support at Little Plumstead Primary Academy in 2025-26

Our key SEND themes: inclusion, equity & opportunity

Expanding the range of support provided for pupils' social, emotional and mental health wellbeing and developing our use of evidence- based interventions:

- Sensory Circuits
- Lego Therapy
- Drawing and talking therapy
- Thrive
- Mindfulness
- 7Cs
- Precision Teaching
- Restorative conversations & practices
- One to one and group sessions

Establishing strong relationships and wider community links:

- SENDCo Network
- Willow Tree Network
- Cluster SENDCo Network
- Schools Mental Health Team
- Schools and Communities Team

Making sure pupils are actively involved in planning and reviewing SEN support:

- Pupil Profiles – updated termly
- Pupil Survey
- SEND themed assemblies
- Reception buddies

Ensuring efficient use of our resources:

- Staff knowledge and skills audit
- Continued professional development – golden thread that runs through everything we do
- Investment in SEND specific resources – impact across the school for all learners

Developing a good understanding of pupils' barriers to learning and knowing what we can do to overcome and remove those barriers:

- Staff training – AIDP priority
- Engagement of external professionals
- SENCO surgery
- Working across the federation to share practice
- Development of THRIVE and 7Cs

Making sure parents/carers are involved in the planning and review of their children's support:

- SEN Information Report
- Parent views form
- SENCO surgery
- SEND review meetings
- Sharing information via posters, information leaflets and newsletters entrance in school
- SEN display board
